

**CELEBRATING 100  
YEARS OF HINDI CINEMA**

**A JOURNEY OF IMAGES, EMOTIONS AND MEMORIES**

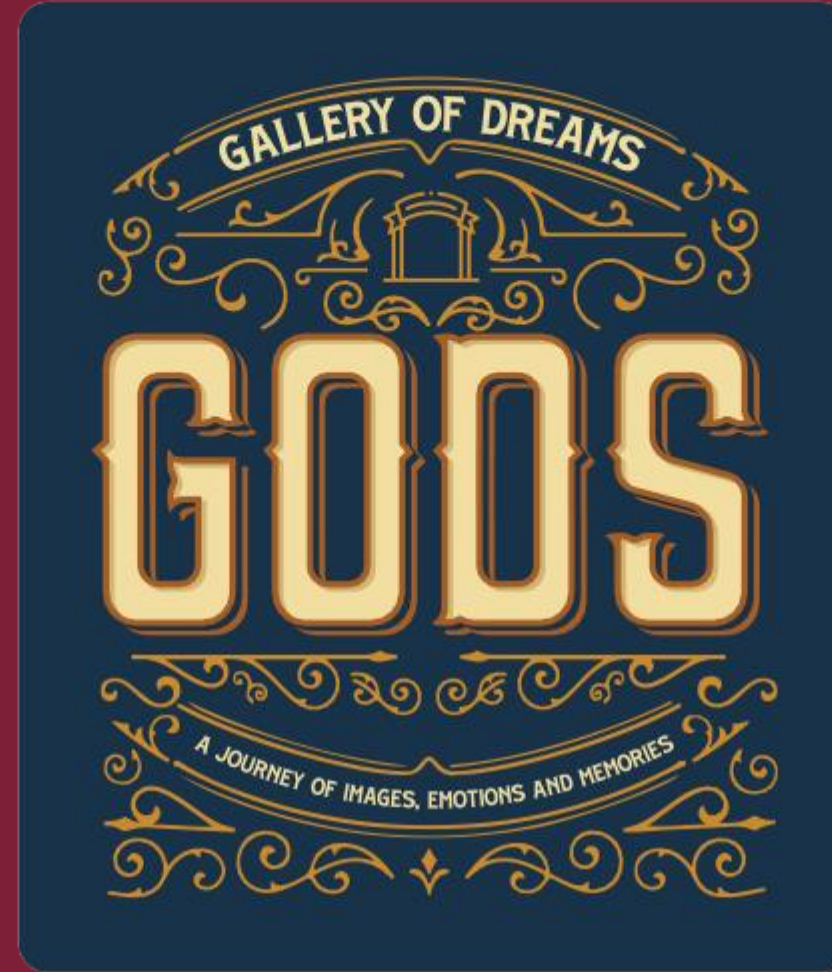

## Hindi Cinema is the largest centre for film production in the world.

- Hindi cinema's greatest influence has been on India's national identity.
- Hindi films have been a significant form of soft power for India, increasing its influence and changing overseas perceptions of India.
- Hindi cinema has not only been a medium of entertainment but also the psyche of billions of minds.
- Cinema is very close to the heart of a common man and therefore we ensure extensive footfall to visit this one-of-a-kind experiential concept.

## A JOURNEY OF IMAGES, EMOTIONS AND MEMORIES

A movable gallery project showcasing the rich heritage of Hindi films from 1913 to 2013.

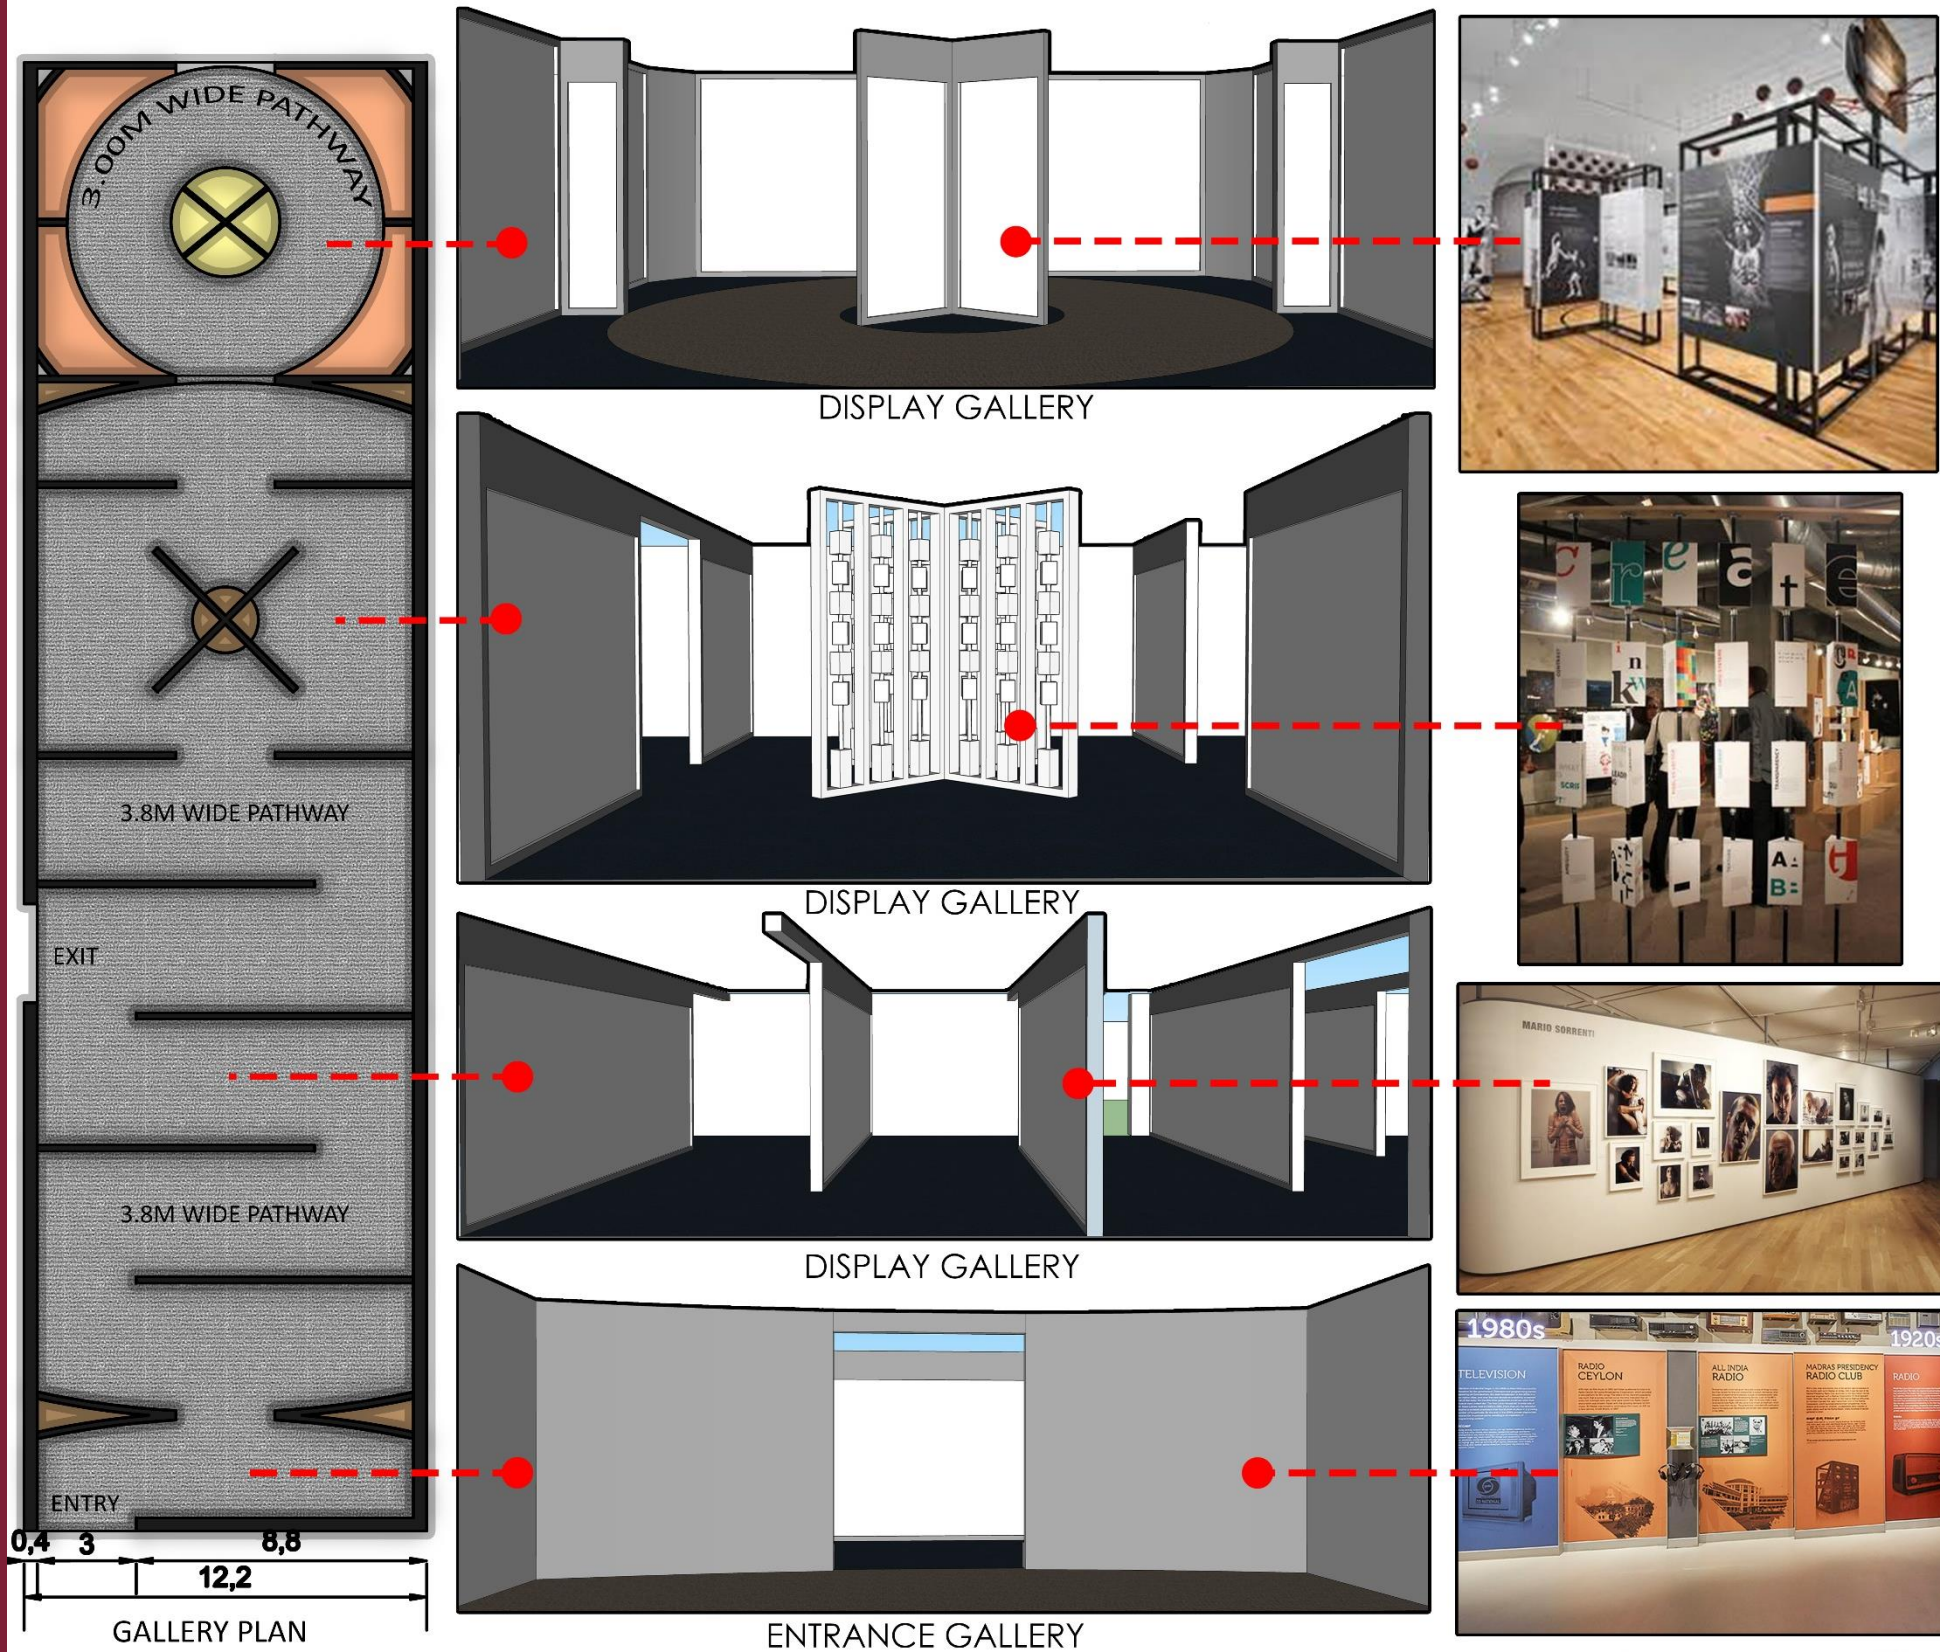

Gallery of Dreams shall bring light on all the talented brain works that burnt midnight oil in smoky rooms and the creative ones responsible for creating intense on-screen personas.

These landscaped galleries are meticulously designed for an individual to experience of different stages of the industry.
